

Historic Hudson Community Association
April 14, 2016 Meeting, Licking County Library
<http://hhcaohio.com>

The regular meeting convened at 7 PM, with Sherry Cass presiding. Persons in attendance were Jim Amore, Mindy Nelson, Jose Cabral, Carol Floyd, Connie Rutter, Sherry Cass, Mark Fraizer, Barb Kelley, Pat Kelley, Michael Hill II.

Guest Speaker

Sherry Cass opened the meeting and introduced our guest speaker, Doug Stout, Head of Circulation & Building Services, Licking County Library, dstout@lickingcountylibrary.info.

Mr. Stout is leading the program "In the Company of Heroes: Licking County Veterans Project," <http://www.lickingcountylibrary.info/veterans-project>, which strives to register and electronically preserve the experiences of veterans who are from or have resided in Licking County. All information will be added to an online public database. People are encouraged to contact him so that he may generate digital copies of anecdotes, photographs, copies of service records, letters, diaries, video or audio records of veterans from the Revolution through the present day.

A commemorative event for veterans will take place around Veterans Day.

Minutes

The minutes of the March meeting were accepted.

Treasurer's Report

Our current balance stands at \$4441.96. This includes \$45.00 from membership revenues and \$35.00 in donations since last reporting. No expenses were posted.

Old Business

The **Spring Clean-Up** event is scheduled for April 30. All are encouraged to participate, and please meet at Sherry's house at 1 PM. Bags and gloves will be provided. Tire collection will take place this Saturday, April 16, at Licking County Recycling for a fee.

The **Yard Sale** needs volunteers to distribute advertisement. Names of participants should be forwarded to Mindy.

The installation of lights at **North Street Park** is cleared with the City. HHCA will not have to pay for materials or installation services, nor assume insurance liability for the park.

Mark Fraizer introduced a motion that HHCA accept the offer of Newark City for the installation of two lights at the park at no cost to HHCA. The motion was passed.

Two winners of the HHCA Joe Kennedy Scholarship Fund were announced. The 2016 winners are Sam Nesbitt and Shawna Vermillion, and each will receive an award of \$500.00. Two winners were chosen since two different application deadlines were unknowingly posted in different notices. A winner for the first deadline had already been announced when three more applications were received by the second deadline.

HHCA will not meet in the summer months, but we will have our annual picnic in July.

Notices: **Master Gardener Sale:** *Saturday, May 14, 2016:* This will take place at Walt's place.
